Coming to Athens (through Korinthos - Athens National Road), it would be more convenient taking **Attiki Odos** (Entrance **No.1 - MANDRA**), then the exit to Rafina (**No.15 – L. MARATHONOS** or **No.16 - LEONTARIO**) and from there through Marathonos Avenue to Rafina. Kindly remember that, with private or rented car, you would have to pay the tolls of Euro (€) 2,70 at the Toll Post on your way in. Please follow directions marked with a **BLUE ARROW** at the following map, always looking for signs to RAFINA (just to make sure you are following the right direction):

Keep on driving on **"Leoforos Marathonos"** until you find the interchange (crossing) to Rafina. There is a sign **RAFINA**, with a BOAT (port of Rafina). Follow this street that ends at the main square of Rafina and continues either left or right. **When having reached the** square (where street ends and goes either left or right), **please take (or tell the taxi driver to take) a right turn and immediately a left to the first road**. Following this road, **please stop (or tell the taxi driver to stop) at the first crossing** (dead end at your left, leading to the square where the hotel is located - please, have a look at the following map):
